The Honorable Kent A. Jordan
 United States Court of Appeals
 844 North King Street
 Wilmington, Delaware 19801

Re: *Novozymes A/S v. Genencor International, Inc. et al.*
C.A. No. 05-160 (KAJ)

Dear Judge Jordan:

We write in response to Defendants Genencor International Inc. and Enzyme Development Corporation's request for oral argument in the captioned matter (D.I. 218). Given that the Court has already presided over a bench trial and has received the parties' written submissions, Plaintiff Novozymes A/S ("Novozymes") believes that oral argument is unnecessary and would only delay a final decision in this case. If the Court, however, finds that oral argument would be helpful, Novozymes would be available at the Court's convenience.

Respectfully submitted,

 Andrew A. Lundgren (No. 4429)
